

Bath time

Follow the numbers. A grown-up checks that the water is warm, not hot, before step 3.

1

toilet first

2

clothes off

3

get in the bath

4

wash my body

5

wash my hair

6

rinse my hair

7

dry off

8

pajamas

Shower steps

Follow the numbers. Set the water warm, not hot, at step 2.

Bath time talk

Point to say what you want in the bath, and when something is too hot, too cold or in your eyes.
