Video call

Point to say hello, to talk and show things, and to say when the call isn't working.

Hello and goodbye

hi!

I miss you

I love you

a kiss

bye!

see you soon

Talk

how are you?

look at this!

I want to show you

what did you do today?

where are you?

I like it

wow!

say it again

my turn to talk

guess what?

yes

no

When the call isn't working

I can't hear you

louder, please

I can't see you

you froze

wait

call again

Making a video call

The steps of a call, in order. Point to each picture as it happens.

1

get the tablet

2

choose who to call

3

wait for it to ring

4

say hi

5

talk and listen

6

show something

7

say bye

8

end the call

Before the call: tick what's ready

-  a quiet room
-  good light
-  my board
-  my talker
-  headphones
-  something to show
